

Film Free and Easy **GOES TO PRINT**

at Leicester Print Workshop

Artist Call Out

Date and Time: 7-9pm, Friday 25 January 2019

For our first CQL event of 2019, Leicester Print Workshop is partnering with *Film Free and Easy* to present work that makes connections between the disciplines of print and film. *Film Free and Easy* happens three or four times a year and was devised by artists to explore new ways of showing moving-image works.

Every Film Free and Easy night is a unique mixture of projections, installations and performances shared by an audience who enjoy the unexpected and surprise of discovery, so this is an opportunity to bring along and show what you want. *Film Free and Easy* screens everything from old, existing (such as the films created through the collaboration with Seven Five) and new films and videos, slideshows, and computer games. All formats are welcome.

You are part of the event, so submit your work and help us set up for the evening (between 3-7pm).

You are invited to submit 1 film/film based work, which will be presented as part of a Showreel or in other locations around the building.

Work on the Showreel must be no longer than 10 minutes duration. If you would like to present your work in an alternative format, you will need to bring the appropriate equipment, rather than converting the work to a digital format.

Email us at LPW: info@leicesterprintworkshop.com, with the title, description, running time and details of how the work is to be shown, including any equipment needed (some equipment can be provided). Using Film Free and Easy Goes to Print in the Subject line.

Deadline for submissions is midnight on Sunday 13 January 2019.

Email us if you have any questions.
